## Class of 2017

Eanes Elementary greatly values campus traditions, and this was made even clearer when our WHS Class of 2017 Mustangs returned to our EE assembly this morning. All graduating seniors shared their names, their plans for next year, and one memory that they will forever hold dear from their time at Eanes Elementary. Their responses ranged from memories of individual teachers who they knew loved them to fun experiences they had at Mustang Mania. They spoke of soccer games on the field and puppet-making in art class. The shared stories of time spent on the EE playground and great memories from the 5th grade Live Oak adventure. They shared meaningful experiences with peers, they expressed gratitude for their time at EE, and they shared on stories of Eanes Elementary's special traditions. The experiences they had during their six years at EE made an impact on them, making each student feel a sense of belonging within this incredible community. Thank you, WHS Seniors, for reminding us just how incredible our EE family is and how its impact will continue to touch Mustangs' lives for years to come.

# Eanes Elementary Kinder Camp

Kinder Camp is open to incoming Eanes Elementary Kindergarten students and will be taught by Kindergarten teachers from EE!

Kinder Camp is designed to give students an opportunity to work in a kindergarten setting while previewing the math and language arts curriculum. During class time students will have time to explore materials used throughout the year and learn basic Kindergarten procedures. Our goal for this camp is to increase your child's comfort level and set the stage for a very positive and exciting Kindergarten year!

## 3D Modeling and Printing Camp

Design and print your own 3D models! Students will learn how to create 3D models in Maya using 3D tools. See first hand how this new technology is changing our world in fields such as medicine and construction. Students will also learn how to print their 3D model on a classroom Makerbot Replicator Two 3D printer. No prior 3D experience required. Recommended for students in grades 4th through 8th. **June 27th -July 1st. 9am to 12pm. July 18th -22nd 9am -12pm.**

## Video Game Design!

Video games are a multi-billion dollar industry and one of the leading forms of entertainment in the world. This camp provides students with an array of skills required in this exciting industry. Students will learn concepts and tools to create levels, models, and mechanics for games using the game engine Unreal Engine 4. This camp will give students a start and glimpse into the fascinating world of game design. Some prior computer experience required. Recommended for students in grades 4th through 8th. **June 6th -10th 9am to 12pm. July 11th -15th 9am -12pm.**

## Camp Animation

Discover how animators at Pixar or Disney produce animated cartoons and movies. Students will learn classic animation using light boards and then move on to more modern animation in Adobe Flash. During the camp students will create Claymation, Stop Motion, Stick Figure animation and more! Animation techniques such as time lines, key framing, motion tweening, onion skinning, timing, and spacing will be taught. **June 6th -10th 1pm to 4pm. July 18th -22nd 1pm to 4pm.**

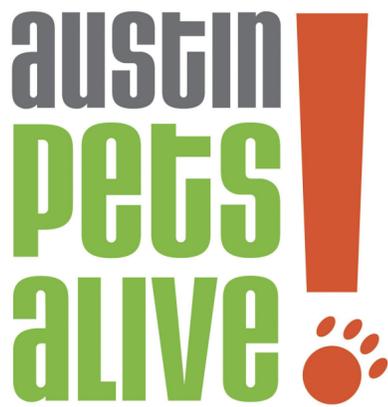

## Camp Photoshop

Become a Digital Artist and learn Adobe Photoshop! During the camp students will create pixel art, digital collage, compositions and photo manipulation. Campers will learn how to use Wacom drawing tablets and digital cameras. Students will learn basic techniques in Adobe Photoshop such as using layers, free transform, color balance, shape tools, filters, vector graphics, adjustment layers, masking and more! No prior computer experience required. Recommended for students in grades 4th through 8th. **June 27th -July 1st. 1pm to 4pm.. July 11th -15th 1pm to 4pm.**

**GIRL SCOUTS**

Helping People Help Pets

Hello Parents of Eanes Elementary!

Girl Scout Troop 528 and its members are trying to achieve its bronze award, and we need your help! For our bronze award we choose Austin Pets Alive as our good cause . We need your support and donations of old towels, pet toys, and dog and cat supplies. You can drop off your donations at the front office where there will be a box for pet items.

Thanks for your support,  
Girl Scout Troop 528

Hello Eanes! Girl Scout Troop 1453 is organizing a supply drive for unused or lightly used school supplies and backpacks with the Angel Heart organization for foster kids! Drop the donations at the front office by the last day of school.

## SCHOOL SUPPLY DRIVE

We are working with the Angel Heart Foster Care agency to bring school supplies to kids in need for the 2017-18 school year.

If you have any unused or gently used school supplies/ backpacks we would absolutely love if you could drop them off in the front office. The deadline for this drive is the last day of school (May 25) so the sooner you could drop the supplies off the better.
