

Mustang Memo

May 30, 2017

hello
Summer

Dear Eanes Elementary Families,

It is with such joy that I reflect on this incredible school year spent with each of you. I am so grateful for the time I have spent learning with and from our students, families, and staff members. It is an honor to embrace this community each day as the Eanes Elementary Principal, and it is a responsibility I do not take lightly.

Last week, we had the opportunity to celebrate our 5th grade graduates as they make their way to middle school. My farewell sentiments shared with these young men and women included: remember who you are, take care of one another, remember that your grades do not define you or your worth, do not settle for mediocrity, and visit your home away from home, Eanes Elementary, often! Most importantly, however, I shared just how proud I was of each of them and how much we love them at EE. Thank you for sharing your greatest gifts with us each day. Your children fill our hearts and make EE the great place it is. We are so fortunate to be inspired by these future leaders, and we learn from each one daily.

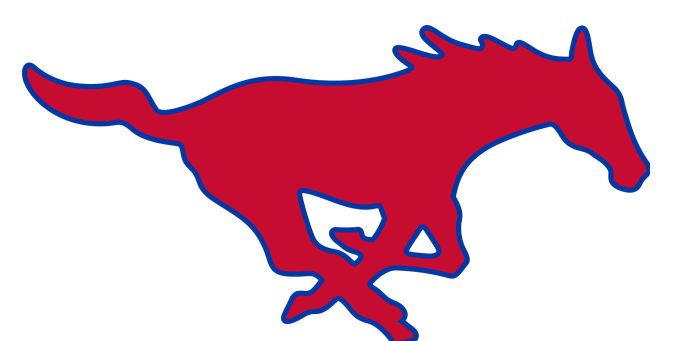

We look forward to welcoming returning and NEW Mustangs to Eanes Elementary in August. Though our classrooms are empty at EE this summer, learning will not stop for our teachers! Over the next few months, all staff members will engage in professional learning - a gift from our district that is widely respected and valued. As lead learners at EE, our staff members recognize the need to continuously seek improvement and professional growth to benefit all learners. Our campus and district initiatives drive our learning goals, and we look forward to sharing those with our EE community this fall.

As you look forward to our next school year, please mark your calendars with the important Back to School events on the next page. Enjoy every second of your summer, and we cannot wait to welcome you back to school in August!

With Gratitude,
Mrs. Lesley Ryan
